Pumps & Pipes Social Media Intern

Summer 2021 Internship

May 17 - August 30

The P&P Mission:

Provide a platform to bring together professional groups who may not otherwise have the opportunity to interact for the transfer of knowledge and technology know-how.

Be the leader in promoting cross-industry collaboration to solve challenging problems both within the P&P network (i.e., medicine, energy, aerospace) and other high-risk, high-reward challenges including those identified by, but not limited to, the United Nations Sustainable Development Goals (UN SDGs).

Strengthen educational offerings in science, technology, engineering, art, and mathematics (STEAM) by mentoring educators and offering high-school and college students the opportunity to engage with experts and apply their skills to think outside of the box.

Internship Responsibilities:

- Promote P&P program and events over social media
- Work with P&P team to develop and execute P&P marketing strategy
- Develop engaging STEAM education content, including short videos or animations for TikTok, YouTube and more

How to Apply:

Email your resume and cover letter to info@pumpsandpipes.com. This application is for a hybrid on-site/virtual or fully virtual internship opportunity. We will contact intern candidates who meet the minimum requirements. Don't wait—we will be accepting applications until **April 30**, so apply today!

Intern Requirements:

- Currently pursuing a bachelor's degree or higher
- Interest in a career in communication, social media, graphic design, or other related field of study
- Expertise with Microsoft Office products including Word, Excel, and Power Point
- Expertise in Adobe Creative Suite including Premier Pro, After Effects, etc.
- Experience creating innovative social media projects
- Organized and able to prioritize multiple tasks and transition between activities
- Willingness to learn and adapt to various assigned tasks
- Able to meet tight deadlines and work independently or on a team
